**Service will not be performed without credit card information on file.**

Please note that all accounts past 30 days will be automatically charged to your credit card. Please select from the services below. **PRICES BELOW DO NOT INCLUDE MATERIALS** (unless otherwise noted) Materials, sales tax, subcontract, freight, and an environmental surcharge will be applied accordingly. Prices are generally for boats under 40 feet LOA (please call for estimates for vessels exceeding 40 feet LOA) Mechanical rate is \$150.00 per hour.

All vessels launched and/or serviced by the marina will be given a complimentary topside quick wash!

**Engine commissioning includes: check fluids, top off as necessary, inspect drive belts & hoses, start, and run motor engine dockside, or on flush attachment, check for satisfactory flow of cooling water, visually check gauges, and verify normal gear shifting, throttle operation, steering and trim. Clean and connect battery terminals with light charging as needed.**

---

---

**PLEASE NOTE:** ANY BOAT IN THE MARINA OR PARKING LOT WITHOUT A CURRENT CONTRACT AFTER MEMORIAL DAY WILL BE HAULED BY THE MARINA AND/OR CHARGED SUMMER LAND STORAGE AT DOUBLE THE YARD RATE FOR LABOR AND STORAGE., UNLESS PRIOR ARRANGEMENTS HAVE BEEN APPROVED.

BEWARE - The vessel and its contents may be sold at Public Auction for failure to pay dockage and/or storage charges. This Spring Work Order Authorization (this "Work Order") is entered into by the above-named Member as an inducement to this marina to perform certain Work (defined herein) on the boat identified above, including, without limitation, any rigging, engines, appurtenances, and contents stored thereon (collectively, the "Boat"), in connection with the Boat's presence at the marina commonly known as (the "Marina"). The terms of the Membership Agreement between TPG Marinas and Member (the "Membership Agreement") are incorporated into and made a part of this Work Order. Member grants the Marina and/or the Marina's employees, agents, and subcontractors' permission to perform the work set forth herein and all additional work authorized verbally or in writing by Member or its agents (collectively, the "Work"), and to operate or navigate the Boat. Member acknowledges that Member has read and fully understands this Work Order, including without limitation the Member Service Terms, Membership Agreement and Marina rules, all of which are incorporated herein by reference. Member certifies that the information provided above, together with the insurance information provided to the Marina in connection herewith, is correct and agrees to promptly notify the Marina in the event of changes to such information. Absolutely no Boat will be hauled unless the Marina has a signed agreement and a suitable deposit. IN WITNESS WHEREOF, Member has duly executed this Work Order as of the day and year written below.
